

George Clinical Scientific Leaders at ASN 2019

Wednesday, November 6 | Early Program

Presentation & Panel Discussion | 2:30 – 5:30 pm | Room 151

SGLT-2 Inhibition for Diabetic Kidney Disease

Presenter: **Meg Jardine**

Thursday, November 7

Poster Presentation #TH-PO443 | 10:00 am – 12:00 pm | Exhibit Hall

Design and Patient Characteristics of a Study to Assess the Renoprotective Effects of the SGLT2 Inhibitor Dapagliflozin in Non-Diabetic Proteinuric Kidney Disease (DIAMOND)

Authors: Claire Dekkers, Ron T. Gansevoort, **Hiddo J.L. Heerspink**, David Cherney, Heather N. Reich, Sean Barbour, Abdul halim Abdul gafor, Soo Kun Lim, **Muh Geot Wong**, Gozewijn Dirk Laverman, Marc G. Vervloet

Poster Presentation #TH-PO1202 | 10:00 am – 12:00 pm | Exhibit Hall

Canagliflozin (CANA) Slows Declines in Kidney Function in People with Baseline (BL) eGFR <30 mL/min/1.73 m²

Author: George Bakris, Megumi Oshima, Kenneth W. Mahaffey, Barry M. Brenner, David Charytan, Adeera Levin, Carol Pollock, **David C. Wheeler**, Hong Zhang, Tom Greene, George Capuano, Robert Edwards, Richard Oh, Norm Rosenthal, **Meg Jardine**, **Vlado Perkovic**

Poster Presentation #TH-PO1204 | 10:00 am – 12:00 pm | Exhibit Hall

Impact of Canagliflozin (CANA) on eGFR Slope in People With Optimised Glucose Control: Randomised Analyses from CREDENCE

Authors: **Meg Jardine**, Kenneth W. Mahaffey, Rajiv Agarwal, George Bakris, C.P. Cannon, Capuano, David Charytan, Dick de Zeeuw, R. Edwards, Tom Greene, **Hiddo J.L. Heerspink**, Adeera Levin, M. Oshima, **Bruce Neal**, C. Pollock, **David C. Wheeler**, Hong Zhang, Bernard Zinman, **Vlado Perkovi**

Friday, November 8

Poster Presentation #FR-PO223 | 10:00 am – 12:00 pm | Exhibit Hall

Renoprotective Effects of Canagliflozin in CREDENCE May Be Independent of Glucose Lowering Mechanisms

Authors: David M. Charytan, **Bruce Neal**, Richard Oh, Carol Pollock, Bernard Zinman, **Vlado Perkovic**, **David C. Wheeler**, Kenneth W. Mahaffey, **Meg Jardine**, Rajiv Agarwal, Scott Bull, Pei-Ling Chu, Dick de Zeeuw, Tom Greene, **Hiddo J.L. Heerspink**

Poster Presentation #FR-PO224 | 10:00 am – 12:00 pm | Exhibit Hall

Renal Efficacy and Safety of Canagliflozin by Baseline Medication Use: Results from the CANVAS Program

Authors: **Brendon Lange Neuen**, Qiang Li, **Vlado Perkovic**, **Meg Jardine**, **Hiddo J.L. Heerspink**, **Bruce Neal**, David R. Matthews, Dick de Zeeuw, Kenneth W. Mahaffey, Greg Fulcher, Wayne Shaw, Richard Oh

Poster Presentation #FR-PO232 | 10:00 am – 12:00 pm | Exhibit Hall

How Does Canagliflozin Confer Renoprotection? Results From a Mediation Analysis of the CANVAS Program

Authors: **Jingwei Le**, **Bruce Neal**, **Vlado Perkovic**, Dick de Zeeuw, Roger Simpson, Richard Oh, Kenneth W. Mahaffey, **Hiddo J.L. Heerspink**

Poster Presentation #FR-PO233 | 10:00 am – 12:00 pm | Exhibit Hall

Renal and Cardiovascular (CV) Outcomes of Canagliflozin (CANA) According to Race and Ethnicity: A CREDENCE Secondary Analysis

Authors: Adeera Levin, Bernard Zinman, **Vlado Perkovic**, George Bakris, Kenneth W. Mahaffey, James Baldassare, Pei-Ling Chu, Dick de Zeeuw, **Hiddo J.L. Heerspink**, Mary Kavalam, Carol Pollock, Tao Sun

Continued on back

* Names in bold green are George Clinical and The George Institute for Global Health Scientific Leaders

Friday, November 8 (continued)

Invited Symposium | 10:30 am – 12:30 pm | Hall D

Major Clinical Trials for Diabetic Kidney Disease: CREDENCE and SONAR

CREDENCE Presenters: Carol Pollock, **Meg Jardine**

SONAR Presenters: **Hiddo J.L. Heerspink**, Dick de Zeeuw

GSK Lunchtime Symposium | 1:00 - 2:00 PM | Exhibitor Spotlight Meeting Room, Exhibit Hall

Using Haemoglobin to Assess Anaemia of CKD: An Objective and Validated Approach

Presenter: **David C. Wheeler**

Saturday, November 9

Poster Presentation #SA-PO1042 | 10:00 am – 12:00 pm | Exhibit Hall

Dialysis Outcomes at 12 Months Among Patients Starting Haemodialysis in India

Authors: **Oommen John**, **Abhinav Bassi**, Kamal D. Shah, **Sradha S. Kotwal**, **Rohina Joshi**, **Stephen Jan**, **Martin P. Gallagher**, **John Knight**, **Vivekanand Jha**

Educational Symposium | 12:55 – 1:15 pm | Ballroom C

What We Know About SGLT2 Inhibition and the Kidneys

Presenter: **Hiddo J.L. Heerspink**

Basic/Clinical Science Session | 2:00 – 4:00 pm | Room 143

Global Challenges of CKD

Moderator: **Vivekanand Jha**

Oral Session #SA-OR078 | 4:30 – 4:42 pm | Ballroom C

Renal, Cardiovascular, and Safety Outcomes of Canagliflozin (CANA) According to Baseline Kidney Function: A CREDENCE Secondary Analysis

Authors: **Meg Jardine**, Kenneth W. Mahaffey, Rajiv Agarwal, George Bakris, James Baldassare, Barry Brenner, Scott Bull, David Charytan, Tom Greene, Adeera Levin, **Bruce Neal**, Norman Rosenthal, Tao Sun, Rose Qiu, Hong Zhang, Zien Zhou, Bernard Zinman, **Vlado Perkovic**

Oral Session #SA-OR079 | 4:42 – 4:54 pm | Ballroom C

Canagliflozin and Renal-related Adverse Events in Type 2 Diabetes and Chronic Kidney Disease: Results From CREDENCE

Authors: **Hiddo J.L. Heerspink**, Dick de Zeeuw, Adeera Levin, **Bruce Neal**, **David C. Wheeler**, Yshai Yavin, **Vlado Perkovic**, Hong Zhang, Kenneth W. Mahaffey, **Jingwei Li**, Rajiv Agarwal, Barry Brenner, George Capuano, David Charytan, Jagriti Craig

Oral Presentation #SA-OR006 | 5:30 - 5:42 pm | Salon A/B

Characterization of the Acute eGFR Response to SGLT2-Inhibition with Empagliflozin

Authors: Christoph Wanner, Michaela Mattheus, Maximilian von Eynatten, Audrey Koitka-Webber, Bettina J. Kraus, Matthew R. Weir, George Bakris, David Cherney, **Hiddo J.L. Heerspink**, Silvio E. Inzucchi, Bernard Zinman, Ivana Ritter

George Clinical and The George Institute for Global Health Scientific Leaders

Vivekanand Jha: Executive Director, The George Institute for Global Health, India; Professor of Nephrology and James Martin Fellow, University of Oxford; Conjoint Professor of Medicine, University of New South Wales (UNSW), Sydney; President, International Society of Nephrology

Meg Jardine: Head, Renal Trials, George Clinical; Program Head, Innovation & Kidney Research; Associate Professor, Faculty of Medicine, UNSW, Sydney; Staff Specialist Nephrologist, Concord Repatriation General Hospital

Muh Geot Wong: Senior Research Fellow, Renal & Metabolic Division, George Clinical; Senior Clinical Lecturer, Faculty of Medicine, UNSW, Sydney; Staff Specialist Nephrology, Royal North Shore Hospital

David C. Wheeler: Professor of Kidney Medicine at University College London; Professorial Fellow, The George Institute for Global Health

Martin P. Gallagher: Director, Renal & Metabolic Division, The George Institute for Global Health; Associate Professor, Faculty of Medicine, UNSW Sydney; Staff Specialist Nephrologist, Concord Repatriation General Hospital

Hiddo J. Lambers Heerspink: Scientific Committee, George Clinical; Professor Clinical Pharmacology, University Medical Center Groningen, the Netherlands

* Names in bold green are George Clinical and The George Institute for Global Health Scientific Leaders
